Served with Traditional Garnishes

Wookey Hole Cave Cheddar

Traditionally hand-made, aged in the Wookey Hole Caves in the Mendip Hills in Somerset.

A mix of earthy, creamy & farmy aroma with sweet and salty notes.

Pasteurized, Vegetarian

Cashel Blue

Cashel Blue will reach you in Ireland and the UK at between 6 to 10 weeks of age and is pleasant, firm and creamy-edged with an established blue character. Cashel Blue is still made by hand on the same 200 acre farm; Beechmount, in Co. Tipperary, Ireland.

Rosary Goat Ash

Locally produce in Salisbury, hand-made from milk of British Saanen goats by Chris and Clare Moody who named it after their family home "The Rosary". Very creamy, light texture with natural hints of citrus.

Pasteurized, Vegetarian

Cotswold Organic Brie

Made by Simon Weaver, who has been making the cheese for only few years but already received numbers of prestigious awards. Delicate flavor with all the grassy freshness of the Cotswold Hills.

Pasteurized, Vegetarian
